Interests and Concerns

"NESSA WEBSITE"

Check out our new website. With modern technology we now are lucky enough to have our own web site. If you have not checked it out yet, the site is: www.nessany.org.

"HELP" We are in need of a union official to represent the cafeteria. As well we need many committee members. Please remember we need to represent all areas of support staff. We want all members to get a fair shake!!

"AREA OF CONCERN"

Each employee is entitled to a floating holiday. The only difference from a 12 month employee and a 10 month is, a 10 month has to fulfill their contracted days. So if you wish to take at the end of the year you must fulfill your contracted days or you are responsible to make that day up.

Purple Pride

"T-SHIRTS"

We are working on purchasing polo shirts for all union members and t-shirts for our volunteers. We will be sending out a shirt request form. The t-shirts will be distributed when you volunteer for a NESSA event. So get your t-shirt by volunteering for the pumpkin fest.

Note from the President

I have been busy attending meetings and learning about how a union works. As your president I am working on the communication lines between the NEO, Gerard O'Sullivan and Maragret Boice. I really feel we all need to work together for what is best for the students, staff and tax payers.

Thank you for allowing me to be your union president.
